Posted On: 06 JUL 2021 10:22PM by PIB Delhi

In a historic move, a separate 'Ministry of Co-operation' has been created by the Modi Government for realizing the vision of 'Sahkar se Samridhi'.

This ministry will provide a separate administrative, legal and policy framework for strengthening the cooperative movement in the country.

It will help deepen Co-operatives as a true people based movement reaching upto the grassroots.

In our country, a Co-operative based economic development model is very relevant where each member works with a spirit of responsibility.

The Ministry will work to streamline processes for 'Ease of doing business' for co-operatives and enable development of Multi-State Co-operatives (MSCS).

The Central Government has signaled its deep commitment to community based developmental partnership. Creation of a separate Ministry for Co-operation also fulfils the budget announcement made by the Finance Minister.
