In a major leap in India's public health history, Prime Minister Shri Narendra Modi launched the COVID-19 vaccine drive in the country, the world's largest vaccination drive so far.

The first day of the massive countrywide COVID-19 vaccination program was conducted successfully. A total of **3,352 sessions** were held wherein **1,91,181 beneficiaries** were vaccinated as per the provisional reports. Additional 3,429 **beneficiaries** were vaccinated in Defence institutions. As many as **16,755 personnel** were actively involved in organizing the immunization session sites.

No case of post-vaccination hospitalization has been reported, so far.

Two types of COVID-19 vaccines have been supplied for the vaccination drive:

- Covishield vaccine (made by Serum Institute of India Ltd) has been supplied to all States/UTs.Covaxin vaccine (made by Bharat Biotech International Ltd) has been supplied to 12 States.

Adequate quantities of vaccines and logistics were ensured at all COVID-19 vaccination session sites across the country. Minor issues such as some delay in uploading of beneficiary list at some session sites were successfully resolved.
